Laudate pueri *A. A.*
del M^{ro}. Don Antonio
Durrandola Motta

Aria
del 1723

Duplicada.

son Sp.

The page contains several staves of musical notation, which are significantly faded and partially obscured by a large, irregular tear in the paper. The notation appears to be a single melodic line, possibly for a vocal or instrumental part. Some notes and clefs are still visible, but the overall clarity is low due to the age and damage of the manuscript.
